Argosheen is a concentrated multiuse chemical that provides solutions for fast and effective carpet care in high traffic facilities. It is also impressive with its aggressive performance on tile and grout. Your customers and staff will love the clean fresh smell of Argosheen. It is safe on most carpet fibers, including wool. Argosheen is tough on heavy grime and will amaze even the toughest critics as it out performs the expectations of most users.

We manufacture Argosheen with pride knowing that we will be providing the best cleaner you can buy at any price.

### Directions for use

Argosheen is highly effective when following the recommended dwell time and proper dilution.

Use as a pre-spray allowing 5 minutes for soil to emulsify and then rinse clean with hot water using an extractor or cylindrical style brush machine.

If bonneting, use cotton bonnets for best soil removal. Apply to hard surfaces with sprayer or rag moistened with diluted Argosheen.

**Always test in an inconspicuous area for color fastness**

### Dilution rates:

Purpose	Argosheen	Water
Heavy Soil	30 oz	Per 1 gal water
Normal Soil	16 oz	Per 1 gal water
Light Soil	8 oz	Per 1 gal water
Spotting Heavily soiled areas	Full Strength	

### Available in:

19oz Aerosol can ARGOSHA  
1 gallon, 4 per case ARGOSHG  
1 quart, 12 per case ARGOSHQ

### **Use it to clean the following:**

- Carpets
